Nectarine				█	█								
Peach					█								
Persimmons						█	█						
Plum	Omega					█							
Apple (early and late)					█	█	█	█					
Grapes						█							
Feijoa (pair planting)							█	█	█	█			
Pear							█	█					
Tree Tomato								█	█	█	█	█	█
Lemon	Meyer								█	█	█	█	█
Lemon	Yen Ben									█	█	█	█
Mandarin	Miho									█	█	█	
Orange	Best Seedless										█	█	█
Lemonade & Limes		█									█	█	█
Kiwifruit								█	█	█	█	█	█

Get maximum pickings from your container grown crops – follow Bill Brett's information guide

Join the trend...  
Fruit growing is  
easy as... get into it

Fashionable Now!  
Mix it up – Fruit and  
flowers together in  
the border

The Container  
Garden  
is a winner –  
pots, tubs & troughs
